

Al Green, Al Green - Lean On Me (Original Version)

Sometimes in our lives, we all have pain, we all have sorrow
But if we are wise we know that there's always tomorrow
Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long 'till I'm gonna need somebody to lean on
Please swallow your pride if I have made you need to borrow
For no one can feel those of your needs that you won't let show
You just call on your brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on
Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long 'till I'm gonna need somebody to lean on
You just call on your brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on
If, there is a load that you have to bear that you can't carry
I'm right up the road, I'll share your load if you just call me
Call me
Call me
Call me
