## Al Green, Al Green - Lean On Me (Original Version

Sometimes in our lives, we all have pain, we all have sorrow But if we are wise we know that there's always tomorrow Lean on me, when you're not strong And I'll be your friend, I'll help you carry on For it won't be long 'till I'm gonna need somebody to lean on Please swallow your pride if I have made you need to borrow For no one can feel those of your needs that you won't let show You just call on your brother when you need a hand We all need somebody to lean on I just might have a problem that you'll understand We all need somebody to lean on Lean on me, when you're not strong And I'll be your friend, I'll help you carry on For it won't be long 'till I'm gonna need somebody to lean on You just call on your brother when you need a hand We all need somebody to lean on I just might have a problem that you'll understand We all need somebody to lean on If, there is a load that you have to bear that you can't carry I'm right up the road, I'll share your load if you just call me Call me Call me Call me
