

# Al Green, Always & Forever

Always and forever each moment with you  
Is just like a dream to me that somehow came true  
And I know tomorrow will still be the same  
'Cause we've got a life of love that won't ever change  
And everyday love me your own special way  
Melt all my heart away with a smile, take time  
To tell me you really care and we'll share tomorrow together  
I'll always love you forever, forever  
There'll always be sunshine when I look at you  
Something I can't explain just the things that you do  
And if you get lonely, phone me and take  
A second to give to me that magic you make  
And everyday love me your own special way  
Melt all my heart away with a smile, take time  
To tell me you really care and we'll share tomorrow together  
I'll always love you forever, forever  
Loving you is the thing that I plan for a very long time  
Me and you, you and me, we as one
