

Al Green, Hangin' On

I can't understand the way you feel
Well, in my heart, baby, I'm for real
It's just the way I am as you can see
But is this love between you and me?
It's all because of you
I keep hangin' on, just keep hangin' on
'Cause I still belong to someone like you
I don't know what to do
Just because, oh baby, just because
I love you, you know I do
People like to talk, good and bad
In my heart, I know it makes me sad
I can't understand the little mistake
I'm not just to give and take
It's all because of you
I keep hangin' on, just keep hangin' on
I still belong to someone like you
I don't know what to do
Just be, oh, it's just because, baby
Just because, just because
I love you, know I do
I keep hangin' on, just keep hangin' on
Baby, it's just because
I have to cry, it's just because I love you
Tell the world I do
I'm trying to be one man
It's all because I love you
Tell the world I do
Let me say one thing
I keep hangin' on
Just keep hangin' on
I still belong to someone like you
I don't know what to do
Deep down in my heart
I say I love you
Tell the world I do
There's just one more thing
I gotta be
