

Al Jarreau, Roof Garden

"Roof Garden"

chorus:

Does anyone wanna go
waltzing in the garden?

Does anyone wanna go
dance up on the roof?

(repeat)

On the town,

Sequins evening gown.

Climb those stairs

To that ballroom in the air

Get to poppin.'

chorus

If you dare,

Dream of yesteryear.

In the air

Do a step with Fred Astaire.

Get your top hat.

chorus

You can be

What you want to be

Come waltz with me

Or a hot steppin' boogie.

Funk in the pocket.

chorus

No one stays

In downtown these days.

Country calls

Got us one and all.

B'fore we end

Let me reccommend

What to do

When your heart is light or blue.

Get to steppin.'

Does anyone wanna go
waltzing in the garden?

Does anyone wanna go
dance up on the roof?
