

# Al Jarreau, Take Five

\*scatting\*

Just stop and take a little time out with me.  
Oh just take five, just take five.  
Stop your busy day and take the time out to see  
that I'm alive, I'm alive.

Oh, though I'm going out of my way  
Just so I can pass by each day  
not a single word do we say  
It's a pantomime, I'm out of time.  
Still I know our eyes often meet,  
I feel tingles down to my feet,  
When you smile, that's much too discreet.  
Sends me on my way.

Now wouldn't it be better not to be so polite  
when you could offer a light?  
Just start a little conversation now, it's alright  
when you're taking five...(ah-ha)

Five!

Won't ya take a little time out with me (my pretty)  
Baby take five.  
Stop your busy day and take the time to see, girl, that i'm alive  
Though I'm going out of my way  
Just so I can pass by each day  
Not a single word do we say  
It's a pantomime, I'm out of time  
Still I know our eyes often meet,  
I feel tingles down to my feet,  
When you smile, that's much too discreet.  
Sends me on my way.

Wouldn't it be better not to be so polite, pretty mama  
Don't you know that you could offer me a light?  
Start a little conversation now, it's alright  
when you're taking five...
