

Al Kooper, This Diamond Ring

Who wants to buy this diamond ring ?
She took it off her finger now
It doesn't mean a thing
This diamond ring doesn't shine for me anymore and
This diamond ring doesn't mean what it did before
So if you got someone whose love is true
Let it shine for you
This stone is genuine like love should be
And if your baby's truer than
My baby was to me
Then this diamond ring can be something beautiful
And this diamond ring can be dreams that are coming true
Then your heart won't have to break like mine did
If there's love behind it
