

# Al Kooper, This Diamond Ring

Who wants to buy this diamond ring ?  
She took it off her finger now  
It doesn't mean a thing  
This diamond ring doesn't shine for me anymore and  
This diamond ring doesn't mean what it did before  
So if you got someone whose love is true  
Let it shine for you  
This stone is genuine like love should be  
And if your baby's truer than  
My baby was to me  
Then this diamond ring can be something beautiful  
And this diamond ring can be dreams that are coming true  
Then your heart won't have to break like mine did  
If there's love behind it
