

Al Martino, I Wish You Love

Goodbye

No use leading with our chins

This is where our story ends

Never lovers ever friends

Goodbye

Let our hearts call it a day

But before you walk away

I sincerely want to say

I wish you bluebirds in the spring

To give your heart a song to sing

And then a kiss but more than this

I wish you love

And if you like a lemonade

To cool you in some leafy glade

I wish you health and more than wealth

I wish you love

My breaking heart and I agree

That you and I could never be

So with my best, my very best

I set you free

I wish you shelter from the storm

A cozy fire to keep you warm

But most of all, when snowflakes fall

I wish you love
