And here we go again
This □infinite way of dreams
Do we have a target?
Do we have a dream?
Believe me

And here we go again
This □infinite way of dreams
Do we have a remembrance?
Do we have a □conscience?
Believe me

And here we go again
This □infinite way of dreams
Do we have a strength?
Do we have a power?
Believe me

Do we have a target?
Do we have a dream?
Do we have a remembrance?
Do we have a □conscience?
Do we have a strength?
Do we have a power?

And here we go again
This □infinite way of dreams
