

# Ala Boratyn, Losing my head

Oh closed in a big room  
With four walls and no doors  
The lift is out of order  
And the stairs dont have an end  
So i cant run away  
Maybe youre a fairy tale prince  
But i dont have a long long braid  
So i wont draw you in  
Im losing my head my life depends on you  
A huge monster guards a key i wont run way  
Youre the knight of my life so come and rescue me  
Im losing my head i wont run away  
I heard an evil witches steps  
She is coming after me  
Shes got poison in her hand  
Behind her eyes i see the end
