

Alabama, Cruisin'

Hello baby, I'll be by to pick you up at eight
Wear that red dress
You know the one you wore on our first date
Ease into my Chevrolet
We're gonna listen to those oldies play, behind the wheel
We'll go cruisin', cruisin' on Saturday night
We'll be groovin', groovin' in the radio light
It don't matter where we go or, baby, what we do
As long as I'm cruisin', cruisin' with you
There's the drive-in
The place where you and I shared our first kiss
There in the moonlight
Love was shining on a night like this
Slide on over next to me
We're gonna make some new memories
So hold on tight

We'll go cruisin', cruisin' on Saturday night
We'll be groovin', groovin' in the radio light
It don't matter where we go or, baby, what we do
As long as I'm cruisin', cruisin' with you
We'll go cruisin', cruisin' on Saturday night
We'll be groovin', groovin' in the radio light
It don't matter where we go or, baby, what we do
As long as I'm cruisin', cruisin' with you
Now, it don't matter where we go
Or, baby, what we do
As long as I'm cruisin', cruisin' with you
Baby, let's go cruisin', cruisin' on Saturday night
We'll be groovin', groovin' in the radio light
You and I can go cruisin'
