

Alabama, Fire In The Night

Running scared, wonderin'
What I'm doin' so far from home
Pretendin' not to care
That I was so alone
Then my eyes met hers
And without one word
I could tell what was gonna happen
I could feel it in my bones
By the dark of the moon
There's a fire in the night
She took me to her room
Oh, ya know it felt so right
The heat's growin' higher
The flame of desire
By the dark of the moon
Oh, there's a fire in the night
When she told me
She didn't often do this kind of thing
She said please hold me
Hold me tight so I don't have to think
Oh, her gentle touch
Really moved me so much
The flames of love swept over us
Like a burning light
By the dark of the moon
There's a fire in the night
She took me to her room
Oh, ya know it felt so right, so right
The heat's growin' higher
The flame of desire
By the dark of the moon
There's a fire in the night
There's a fire in the night
By the dark of the moon
There's a fire in the night
She took me to her room
Oh, ya know it felt so right, oh yeah
The heat's growin' higher
The flame of desire
By the dark of the moon
Oh, there's a fire in the night
There's a fire in the night, baby
We started a fire
Oh yeah, there's a fire in the night
Oh, I'm on fire
By the dark of the moon
There's a fire in the night
Oh, yeah
