

# Alabama, Hangin' 'Round The Mistletoe

(Written by Kostas)

Snowy days and frosty night,  
Everything looks cold and white  
Hangin' 'round the mistletoe,  
Hangin' 'round the mistletoe

Christmas day will soon be here,  
And everybody's full of cheer  
Hangin' 'round the mistletoe,  
Waitin' for you dear

Well, I've waited all year long  
And nore the year is almost gone  
Hangin' 'round the mistletoe,  
Hangin' 'round the mistletoe

But if that's what I've gotta do  
Just to get a kiss from you  
Hangin' 'round the mistletoe,  
Waitin' for you dear

Christmas is a special time  
To give and to receive  
For every little kiss you give me  
I will give you three

You ain't gonna miss one kiss,  
That's one thing you'll never miss  
I'm hangin' 'round the mistletoe  
Waitin' for you dear

Instrumental

Well, I've had my eyes on you  
For a long, long time  
So, I'm asking Santa please,  
Make that pretty girl mine

Waited till I'm cold and blue  
Just to get a kiss from you  
I'm hangin' 'round the mistletoe,  
Waitin' for you dear

Hangin' 'round the mistletoe,  
Waitin' for you dear...
