

# Alabama, How Do You Fall In Love

How do you fall in love?  
And when do you say I do  
And when is the perfect time  
To spend the rest of your life?  
Seasons may come and go  
And sometimes it rains and snows  
And there will be highs and lows  
So only you will know  
You never know just where it will find you  
'Cause it can come on you so fast  
But seems like it takes forever  
When you want it so bad  
But don't ever take it for granted  
'Cause it's more than sowing some seeds  
And it takes sun and water  
So give it what it needs  
And that's how you fall in love  
And that's when you say I do  
And that's when you know it's time  
To spend the rest of your life  
Now seasons may come and go  
And sometimes it rains and snows  
There will be highs and lows, so only you will know  
And there will be highs and lows, so only you will know
