

Alabama, If I Had You 1989

If I had you, we'd run like gypsies in the wind
We'd be lovers and we'd be friends, if I had you
If I had you, we'd count the stars all one by one
We'd make love till they were gone oh, if I had you
'Cause you light a fire, way down in my soul
The flame keeps growin' stronger 'cause there ain't no control
And there's nothing, no there's nothing
No there's nothing that I wouldn't do, if I had you
If I had you, we'd sail the seven seas as one
We'd never say it can't be done, oh, if I had you
'Cause you light a fire, way down in my soul
The flame keeps growin' stronger, there ain't no control
And there's nothing, oh, there's nothing
I know there's nothing that I wouldn't do, if I had you
If I had you
