

# Alabama, If You're Gonna Play In Texas

chorus:

if you're gonna play in texas  
You gotta have a fiddle in the band  
That lead guitar is hot  
But not for a louisiana man  
So rosen up that both faded love  
And let's all dance  
If you're gonna play in texas  
You gotta have a fiddle in the band

way down in alabama  
We were puttin' on a show  
When a cowboy in the back stood up  
And yelled ha ha joe  
Said we love what you're doing  
But boys don't get us wrong  
There's just something missing in your song

chorus

so he dusted off our boots  
And put our cowboy hats on straight  
Then texans raised the roof  
When jeff opened up his case  
Say ya all want to two-step  
Say you wanna do-ce-do  
Here's a fiddling song before jeff goes
