

Alabama, Say I

Say I (I)

Say I (I)

If you want a brand new shiny car, say I
If you're sick of songs about broken hearts, say I
If you spent some nights parkin' at the noon
If you don't like being told what to do

Say I (I)
I gotta have something to hang my dreams upon
Say I (I)
I'm gonna keep rockin' until I'm dead and gone

If you turn up the radio too loud, say I
If you make the tilt-a-whirl spin round, say I
If you love a lil' more to spend the cash
But you hate takin' out the Tuesday trash

Say I (I)
I gotta have something to hang my dreams upon
Say I (I)
I'm gonna keep rockin' until I'm dead and gone

Worry ain't worth half the time it takes
I don't wanna think about a thing

Say I (I)
Say I (I)

If you hate when a friend goes Hollywood, say I
Sometimes feel like gettin' nothin' no good, say I
If you think you're wrong but you know you're right
You won't backdown without a fight

Say I (I)
I gotta have something to hang my dreams upon
Say I (I)
I'm gonna keep rockin' until I'm dead and gone

Oh, say I (I)
I gotta have something to hang my dreams upon
Say I (I)
I'm gonna keep rockin' until I'm dead and gone

Say I (I, I)
Say I (I)
