

Alabama, See The Embers, Feel The Flames

Julianna, be mine tonight
The time has come girl and the feelings right
Love forever, not fade away
A reborn love of yesterday.

I can't believe it, this love I've found
The fever's rising I can't cool it down
And just like the South, Girl, we're gonna rise again
Sharing a love that just won't end.

Ooo, yeah all right
Be my woman love me tonight
I've got a burning love, Girl, and you feel the same
See the embers, feel the flame.

I can't believe in this love I've found
The fever's rising, I can't cool it down
And just like the South, Girl, we're gonna rise again
Sharing a love that just won't end.

Ooo, yeah all right
Be my woman love me tonight
I've got a burning love, Girl, and you feel the same
See the embers, feel the flame
See the embers, feel the flame.

Ooo yeah all right...
