

# Alabama, She Can

She can light a fire under me  
Give me all the courage that I need  
She can see a side I just can't see, she can  
She can make me smile when I wanna cry  
Find a way to change my state of mind  
She can always reach through my disguise, she can

When my world gets crazy and I just can't cope  
She throws her arms around me and gives me hope  
When I got the desire but I got no plans  
I need someone to understand, oh, only she can

She can take the chill out of winter nights  
Take away the wrong from what's not right  
She can make the darkest hour look bright, she can  
When I really need to make a stand  
But I don't believe in who I am  
When I really want to but I just can't, she can

When my world gets crazy and I just can't cope  
She throws her arms around me and gives me hope  
When I got the desire but I got no plans  
I need someone to understand, oh, only she can

I try to do for her what she does for me  
'Cause I want our love to grow  
I'm gonna hold on tightly only a fool would let her go

'Cause, When my world gets crazy and I just can't cope  
She throws her arms around me and gives me hope  
When I got the desire but I got no plans  
I need someone to understand, oh, only she can

Yes, she can  
Only she can  
Yes, she can  
Oh, yes, she can...
