

# Alabama, She's Got that Look in Her Eyes

She's still got those pretty eyes like she did in school  
The first time that she looked at me, my heart went ka-boom  
Today I saw that look again on sale in summer square  
She looked so good in what she wore somehow it don't seem fair  
She's got that look in her eyes just like she's always had  
She's got that smile on her lips that always drives me mad  
When she looks at me the way I feel comes as no surprise  
I love that look when she's got that look in her eyes  
Just today she looked at me and I felt like a kid  
Even though I'm grown up now the puzzle seems to fit  
I may never have her but I'll still love her still  
Oh I may never hold her in my mind I always will  
She's got that look in her eyes just like she's always had  
She's got that smile on her lips that always drives me mad  
When she looks at me the way I feel comes as no surprise  
I love that look when she's got that look in her eyes  
When she looks at me the way I feel comes as no surprise  
I love that look when she's got that look in her eyes
