

Alabama, When We Make Love.

There's a light in your eyes tonight
You know I'd know that look anywhere
You've got plans and I'm one lucky man
Before we get so carried away
There's just something I've been wanting to say

When we make love
It's more to me than just an affair
I want you to know how much I care
When we make love
Oh it's such a precious time
We share our hearts, our souls, and our minds
When we make love

Watching you make your little moves
I can tell it's gonna be a long night
All day long, we keep holding on
It couldn't be any better than this
I got it all at my fingertips

When we make love
It's more to me than just an affair
I want you to know how much I care
When we make love
Oh it's such a precious time
We share our hearts, our souls, and our minds
When we make love

These moments.....these feelings.....Mmmmmmm

When we make love
It's more to me than just an affair
I want you to know how much I care
When we make love
Oh it's such a precious time
We share our hearts, our souls, and our minds
When we make love

Now let's make love.....Sweet love
