

Alabaster Box, Forevermore

VERSE 1

I will not let you down
I'm perfect as I am now
Your perfect love for me
Has driven me to give my life

PRE-CHORUS

So I've given it up to show You
I'm falling again for You and I'm
Willing to let go of it all
So I've given it up to show You
I'm falling again for You and I'm
Willing to give you my all

CHORUS

I'm devoted to You
And I'd give all that I do
Just to live in Your love
Forevermore

VERSE 2

You would have given Your
Last breath for me
Well I'll tell You this and You'll agree
I'm not living life just for me
