

Alaine, Chaka Chaka Love

No I don't want no more I don't need no more chaka chaka love
Yeah that is just the way I don't want no more chaka chaka love
You see you want me 1 time 2 times 3 times and 4
But then you hurt me 5 times 6 times then hurt me more
It's a shame of the games that you played with my heart
Now you ask me baby please give me a chance
No
[chorus]

You see you sorry you never meant to make me cry
But still you cheated and now I have to say goodbye
Oh I can't forget of the things that you did
Now you ask me baby oh baby please forgive
No
[chorus]
