

# Alaine Laughton, Rise In Love

Before you.....

[Intro] Before you, I was empty Nothing left, was just a shell Before you, loneliness was all I felt

[Verse 1] Didn't want to fall in love no more, Was so sad I, felt so many times I hit the floor, hurt so

[Chorus] We rise, we rise in love You and I, keep rising We rise, we rise in love Higher, were flying

[Verse 2] Rescuing me from all the pain I felt, before I met you Dried my eyes and made me smile

[Chorus] We rise, we rise in love You and I, keep rising We rise, we rise in love Higher, were flying

[Bridge] Were so high and we keep rising We keep climbing, higher and higher And we keep soaring

[Chorus] We rise, we rise in love You and I, keep rising We rise, we rise in love Higher, were flying
