

# Alan Jackson, A Woman's Love

I have known it  
And I have felt it  
I have known a woman's love  
And I have tasted  
And I have wasted  
A woman's love

And I know  
I know I'll never understand it  
All the little things that make it grand and  
A woman's love  
And I know  
I know I'll never come face to face  
With anything that takes the place  
Of a woman's love

Well I have kissed it  
Tried to resist it  
I have missed a woman's love  
And I have hated  
Taken for granted  
A woman's love

And I know  
I know I'll never understand it  
All the little things that make it grand and  
A woman's love  
And I know  
I know I'll never come face to face  
With anything that takes the place  
Of a woman's love

Well I have needed  
And I have pleaded  
And I have lost a woman's love  
And I have worshipped  
And I have cursed it  
A woman's love

And I know  
I know I'll never understand it  
All the little things that make it grand  
A woman's love  
And I know  
I know I'll never come to face to face  
With anything that takes the place  
Of a woman's love

And I know  
I know I'll never come face to face...
