

# Alan Jackson, Dancin' All Around It

(Chamberlain/Tabor/White)

1. She said I don't usually dance this close to strangers  
You know a girl can't be too careful with her heart  
But I saw you and thought that you looked harmless  
When you smile that way I'm not so sure you are

2. I said I don't usually come here for the dancin',  
You can tell that by the way I move, When I saw you  
I thought that it was hopeless  
And I just had to ask you for a dance or two

Chorus:

Somewhere in the stars it must be written,  
Girl we've got to take this chance that we've been given,  
If there's a heaven here on Earth  
I think we found it  
If this ain't love, we're dancin' all around it.

Bridge:

Music stopped and we're still holdin' each other,  
This feels like the beginning of forever,

Repeat Chorus

Outro:

She said I don't usually dance this close to strangers
