

# Alan Jackson, Hurtin' Comes Easy

(Alan Jackson)

I've spent a lifetime lookin' for love  
Just when I find it, it comes undone  
I've tried so hard to make love happen  
Like some never endin' pattern  
I end up on the sad side of the fun

(Chorus)

Hurtin' Comes easy  
Hurtin' Comes easy  
Hurtin' Comes easy  
For me

Well, I've seen people that got it made  
They've got someone and love looks great  
But me, I've been to every doctor  
I've tried it wild and I tried it proper  
And I always end up watchin' love walk away  
That's okay

(Chorus)

Hurtin' Comes easy  
Hurtin' Comes easy  
Hurtin' Comes easy  
For me

I've gotten used to getting over  
And hopefully as I grow older  
Love won't be so difficult to see  
But now for me

(Chorus)

Hurtin' Comes easy  
Hurtin' Comes easy  
Hurtin' Comes easy

For Me
