

Alan Jackson, I'll Try

Here we are
Talkin 'bout forever
Both know damn well
It's not easy together

We've both felt love
We've both felt pain
I'll take the sunshine
Over the rain

CHORUS
And I'll try
To love only you
And I'll try
My best to be true
Oh darlin' I'll try

So I'm not scared
It's worth a chance to me
Take my hand
Let's face eternity

Well I can't tell you
That I'll never change
But I can swear
That in every way

REPEAT CHORUS

I'm not perfect
Just another man
But I will give you
All that I am

REPEAT CHORUS

I'll try
To be true to you
I'll try
I'll try
To always love you
I'll try
