

Alan Jackson, I Only Want You For Christmas

(Zack Turner/Tim Nichols)

The snow is falling, it's Christmas Eve
Presents are wrapped under the tree
Is there one for me

I only you want for Christmas baby
I don't need nothing else
I only you want for Christmas baby
Tie a ribbon around yourself
Oh, Tie a ribbon around yourself

I ain't gonna write no letter
To send north to the Pole
'Cause what I'm wanting this year
St. Nick don't need to know

Chorus

So put on your Christmas stockings
I'll find that mistletoe
Let's get into the holiday spirits
Honey ho ho ho
Ho ho ho

Chorus
