

# Alan Jackson, If You Don't Wanna See Santa Claus

(Keith Stegall)

Well I'm making out my list  
For ole St.Nick tonight  
But I'm afraid what I want this year  
Can't be had

But Santa he's the kind  
When he makes up his mind  
Wishes can come true  
And I bet my Christmas stockin'  
If my wish don't come knockin'  
He's gonna be blue

So baby come home  
If you don't wanna see Santa Claus cry  
He can't see where he's going  
When it's snowing  
If there tears in his eyes

And don't you know his ho ho ho will be  
A sad sad sigh  
So baby come back to me  
If you don't wanna see Santa Claus cry

And don't you know his ho ho ho will be  
A sad sad sigh  
So baby come back to me  
If you don't wanna see Santa Claus cry

So baby come back to me  
If you don't wanna see Santa Claus cry
