

# Alan Jackson, Kiss An Angel Good Mornin'

(Ben Peters)

Whenever a chance to meet some old friends on the street  
They wonder how does a man get to be this way  
I always got a smiling face any time and any place  
And everytime they ask me why  
I just smile and say

You've got to kiss angel good mornin'  
And let her know you think about her when your gone  
So kiss an angel good mornin'  
And love her like the devil when you get back home

Now people may guess the secret of happiness  
Some of them never learn  
It's a simple thing  
The secret I'm speaking of  
Is a woman and a man in love  
And the answer is in this song that I always sing

You got to kiss an angel good mornin'  
And let her know you think about her when your gone  
So kiss an angel good mornin'  
And love her like the devil when you get back home

Kiss an angel good mornin'  
And let her know you think about her when your gone  
So kiss an angel good mornin'  
And love her like the devil when you get back home.
