## Alan Jackson, She Just Started Liking Cheatin' Se

She just started liking cheatin' songs And what's bothering me I don't know if it's the cheatin' she likes Or just the melody I've never had any reason to doubt her As far as I know she's been true But lately she's had a different look in her eyes I wonder if she's seein' somebody new You can't blame a body for lookin' When there's a world of people out there But I hope that she's not takin' any closer looks I tell you lately frankly I've been scared 'Cuz she just started liking cheatin' songs And what's bothering me I don't know if it's the cheatin' she likes Or just the melody

I've got to admit I do some looking too
But she's the only one I love
She still tells me she loves me
But I wonder if my love's enough
'Cuz she just started liking cheatin' songs
And what's bothering me
I don't know if it's the cheatin' she likes
Or just the melody
Yeah she just started liking cheatin' songs
And what's bothering me
I don't know if it's the cheatin' she likes
Or just the melody
Yeah I don't know if it's the cheatin' she likes
Or just the melody
