

# Alan Jackson, That's All I Need To Know

(Alan Jackson, Jim McBride)

I had to look through our old pictures  
To see the way we used to smile  
Before we left love in the closet

Can we pull out those old feelin's  
Wipe the hurt away like dust  
Make love shine the way it used to shine

(Chorus)  
That's all I need to know  
Do you want' a stay together  
Just say let's don't let go  
And I'll keep holdin' on forever  
Have the teardrops that you've cried  
Drowned the fire in your eyes  
Is there one flame beneath the smoke  
Tell me is there any hope  
That's all I need to know

Is it too late to recover  
Those old smiles we used to wear  
Can we save a love that once was strong  
Before it breaks beyond repair

(Chorus)
