

# Alan Jackson, Under The Influence

She just started liking cheatin' songs

Chorus

She just started liking cheatin' songs

And what's bothering me

I don't know if it's the cheatin' she likes

Or just the melody

I've never had any reason to doubt her

As far as I know she's been true

But lately she's had a different look in her eyes

I wonder if she's seeing somebody new

You can't blame a body for looking

And there's a world of people out there

But I hope she's not taking any closer looks

I tell you lately, frankly I've been scared

Chorus

I've got to admit I do some looking too

But she's the only one I love

She still tells me she loves me

But I wonder if my love's enough

Chorus

Yeah, I don't know if it's the cheatin' she likes

Or just the melody
