

Alan Menken, If I Never Knew You (End Title)

If I never knew you
If I never felt this love
I would have no inkling of
How precious life can be
And if I never held you
I would never have a clue
How at last I'd find in you
The missing part of me
In this world so full of fear
Full of rage and lies
I can see the truth so clear
In your eyes, so dry your eyes
And I'm so grateful to you
I'd have lived my whole life through
Lost forever
If I never knew you
If I never knew you
I'd be safe but half as real
Never knowing I could feel
A love so strong and true
I'm so grateful to you
I'd have lived my whole life through
Lost forever
If I never knew you

I thought our love would be so beautiful
Somehow we made the whole world bright
I never knew that fear and hate could be so strong
All they'd leave us where these whispers in the night
But still my heart is singing, we were right
Oh, if I never knew you
There's no moment I regret
If I never knew this love
Since the moment that we met
I would have no inkling of
If our time has gone too fast
How precious life can be
I've lived at last, yeah yeah
I thought our love would be so beautiful
Somehow we'd make the whole world bright
I thought our love would be so beautiful
We'd turn the darkness into light
And still my heart is singing, we were right
We were right
And If I never knew you
I'd have lived my whole life through
Empty as the sky, never knowing why
Lost forever, if I never knew you, yeah
