Alan Parson Project, The  
Ammonia Avenue  
One Good Reason  
(eric woolfson - lead vocal)

Gimme one good reason why i should listen to you  
I need one good reason why i should do  
What you want me to  
Gimme some air or i can't breathe  
I can't see so i can't believe  
Show me just a little more  
Oh oh gimme one

Gimme one good reason why i should listen to you  
I need one good reason why i should do  
What you want me to  
Under your thumb ain't no place to hide  
I can't choose and i can't decide  
Gotta be a better way  
Oh oh gimme one

I keep making the same mistake  
No win no lose no give and no take  
I'm just playing a simple game  
And i don't wanna ask you again and again

For one good reason why i should listen to you  
Just one good reason why i should do  
What you want me to  
Under your spell ain't no place to be  
Don't mess around with a fool like me  
Help me just a little more  
Oh oh gimme one, gimme one

Well i keep making the same mistake  
No win no lose no give and no take  
And i'm just playing a simple game  
And i don't wanna ask you again and again

For one good reason why i should listen to you  
Just one good reason why i should do  
What you want me to  
Pull on the string you hold in your hand  
Making me jump like a one man band  
Gotta be a better way  
Oh oh gimme one
