

Alan Parson Project, The, Silence And I

Alan Parson Project, The
Eye In The Sky
Silence And I
(lead vocal - eric woolfson)

If i cried out loud
Over sorrows i've known
And the secrets i've heard
It would ease my mind
Someone sharing the load
But i won't breathe a word

We're two of a kind
Silence and i
We need a chance to talk things over
Two of a kind
Silence and i
We'll find a way to work it out

While the children laughed
I was always afraid
Of the smile of the clown
So i close my eyes
Till i can't see the light
And i hide from the sound

We're two of a kind
Silence and i
We need a chance to talk things over
Two of a kind
Silence and i
We'll find a way to work it out

I can hear the cry
Of the leaf on a tree
As it falls to the ground
I can hear the call
Of an echoing voice
And there's no one around

We're two of a kind
Silence and i
We need a chance to talk things over
Two of a kind
Silence and i
We'll find a way to work it out
