

Alan Parsons, Damned If I Do

I aint got a heart of stone
Im hurtin more now than Ive ever known
If you mean the things you said
Im gonna wind up outa my head
Cant sleep alone at night
I just cant seem to get it right
Damned if I do
Damned if I dont but I love you
I dont want to tie you down
Dont need a reason to have you around
But each time you walk away
Dont be suprised if I ask you to stay
Cant sleep alone at night
I just cant seem to get it right
Damned if I do
And Im damned if I dont but I love you
I said Im damned if I do
And Im damned if I dont cause I love you
I aint got a heart of stone
You havent left me a mind of my own
But its got such a hold on me
I dont think I could ever be free
How can I survive
Im fighting to keep myself alive
Im damned if I do
Damned if I dont but I love you
Cant seem to see the light
Ive done everything but I cant get it right
Damned if I do
Damned if I dont but I love you
