

# Alan Parsons, One Good Reason

Gimme one good reason why I should listen to you  
I need one good reason why I should do  
What you want me to  
Gimme some air or I can't breathe  
I can't see so I can't believe  
Show me just a little more  
Oh oh gimme one  
Gimme one good reason why I should listen to you  
I need one good reason why I should do  
What you want me to  
Under your thumb ain't no place to hide  
I can't choose and I can't decide  
Gotta be a better way  
Oh oh gimme one  
I keep making the same mistake  
No win no lose no give and no take  
I'm just playing a simple game  
And I don't wanna ask you again and again  
For one good reason why I should listen to you  
Just one good reason why I should do  
What you want me to  
Under your spell ain't no place to be  
Don't mess around with a fool like me  
Help me just a little more  
Oh oh gimme one, gimme one  
Well I keep making the same mistake  
No win no lose no give and no take  
And I'm just playing a simple game  
And I don't wanna ask you again and again  
For one good reason why I should listen to you  
Just one good reason why I should do  
What you want me to  
Pull on the string you hold in your hand  
Making me jump like a one man band  
Gotta be a better way  
Oh oh gimme one
