Alan Parsons, One Good Reason

Gimme one good reason why I should listen to you I need one good reason why I should do What you want me to Gimme some air or I can't breathe I can't see so I can't believe Show me just a little more Oh oh gimme one Gimme one good reason why I should listen to you I need one good reason why I should do What you want me to Under your thumb ain't no place to hide I can't choose and I can't decide Gotta be a better way Oh oh gimme one I keep making the same mistake No win no lose no give and no take I'm just playing a simple game And I don't wanna ask you again and again For one good reason why I should listen to you Just one good reason why I should do What you want me to Under your spell ain't no place to be Don't mess around with a fool like me Help me just a little more Oh oh gimme one, gimme one Well I keep making the same mistake No win no lose no give and no take And I'm just playing a simple game And I don't wanna ask you again and again For one good reason why I should listen to you Just one good reason why I should do What you want me to Pull on the string you hold in your hand Making me jump like a one man band Gotta be a better way Oh oh gimme one
