

Alan Parsons Project, Don?t Answer Me

If you believe in the power magic,
I can change your mind
And if you need to believe in someone,
Turn and look behind
When we were living in a dream world,
Clouds got in the way
We gave it up in a moment of madness
And threw it all away
Dont answer me, dont break the silence
Dont let me win
Dont answer me, stay on your island
Dont let me in
Run away and hide from everyone
Can you change the things weve said and done?
If you believe in the power of magic,
Its all a fantasy
So if you need to believe in someone,
Just pretend its me
It aint enough that we meet as strangers
I cant set you free
So will you turn your back forever on what you mean to me?
Dont answer me, dont break the silence
Dont let me win
Dont answer me, stay on your island
Dont let me in
Run away and hide from everyone
Can you change the things weve said and done?
