

Alan Silvestri, Forever May Not Be Long Enough

Forever
Forever may not be long enough for my love
I have a will but I'm lost inside your time
If you could, would you come with me
To the other side?
Forever may not be long enough
Forever may not be long enough
Forever may not be long enough for this life
Forever
Forever
Forever
This world is never enough
And I'm not giving it up
My faith in love is like blood
I spill it freely for some
My faith in love is like blood
It flows in everyone
Don't stop to look at the clock
Forever won't be long enough
Forever may not be long enough for you to know
Just how far I'd travel, just how far I would go
Open your heart and everything will be alright
Open your heart, baby, leave with me, don't be afraid

Forever
This world is never enough
And I'm not giving it up
My faith in love is like blood
I spill it freely for some
My faith in love is like blood
It flows in everyone
Don't stop to look at the clock
Forever won't be long enough
Forever may not be long enough for our love
Forever
Forever
Forever
Forever
Forever may not be long enough
Forever may not be long enough
Forever may not be long enough for our love
Forever may not be long enough
Forever may not be long enough
Forever may not be long enough for our love
