

# Alan Walker, Better Off (Alone, Pt. III, feat. Dash

This could be a good night, for good times and you look like a good time  
We're dancing to dancing in the moonlight  
Now i want you bad  
Can you make me feel better

This could be a good night, for good times and you look like a good time  
We're dancing to dancing in the moonlight  
Now i want you bad  
Can you make me feel better

Do you think you're better off alone  
I think you better come along  
Can you make me feel better  
I think you better come along

This could be a good night, for good times and you look like a good time  
We're dancing to dancing in the moonlight  
Now i want you bad  
Can you make me feel better

Do you think you're better off alone  
I think you better come along  
So if you think you're better off alone  
I think you better come along  
Can you make me feel better

This could be a good night, for good times and you look like a good time  
We're dancing to dancing in the moonlight  
Now i want you bad  
Can you make me feel better

Do you think you're better off alone  
I think you better come along
