

Alana Davis, I Don't Care (Lonesome Road)

D. Shutrick

Soul driving down this lonesome road
Somewhere...somewhere someone's waiting
You're leaving with a part of me
Stolen...stolen time that once was mine
Precious words we left unheard

Desert me and deceive me but I don't care
I don't care anymore
You love me then you leave me but I don't care
I don't care anymore

Heart stepping through the door alone
Somewhere...somewhere someone's longing
Smiled, someone at the red light smiled
Saved me...saved me from my inner strife
Baby he just saved my life
