## Alana Davis, I Don't Care (Lonesome Road)

D. Shutrick

Soul driving down this lonesome road Somewhere...somewhere someone's waiting You're leaving with a part of me Stolen...stolen time that once was mine Precious words we left unheard

Desert me and deceive me but I don't care I don't care anymore You love me then you leave me but I don't care I don't care anymore

Heart stepping through the door alone Somewhere...somewhere someone's longing Smiled, someone at the red light smiled Saved me...saved me from my inner strife Baby he just saved my life
