

Alanis Morissette, A Year Like This One

After a year like this one
I'm surprised I do not hate your guts
And, After a year like this one
I'm suprised I still love music just as much
After a year like this one
I'm suprised I did not eat my arm
And, After a year like this one
I'm sorry if I'm not cordial to everyone
La, la, la, la, la, la, la, di
La, la, la, la, la, la, la
La, la, la, la, la, la, la, di
La, la, la, la, la, la, la
After a year like this one
I'm suprised I do not hate your guts
And, After a year like this one
I'm suprised I still love music just as much
After a year like this one
I'm suprised I did not eat my arm
And, After a year like this one
I'm sorry if I'm not cordial to everyone
La, la, la, la, la, la, la, di
La, la, la, la, la, la, la
La, la, la, la, la, la, la, di
La, la, la, la, la, la, la
After a year like this one
I'm suprised I am convinced at all
And, After a year like this one
I do not roll my eyes at the cynical
And, After a year like this one
I can't help wonder how they've been
After a year like this one
I think I'll leave it all to my next-of-kin
La, la, la, la, la, la, la, di
La, la, la, la, la, la, la
La, la, la, la, la, la, la, di
La, la, la, la, la, la, la
After a year like this one
I'm suprised we're all not raving drunks and
After a year like this one
I want you to choose the restaurant
After a year like this one
I'll need a good whole 16 months alone and
After a year like this one
I think I'll make the west coast beaches my new home
La, la, la, la, la, la, la, di
La, la, la, la, la, la, la
La, la, la, la, la, la, la, di
La, la, la, la, la, la, la
