

Alanis Morissette, Everything (Radio Edit)

I can be a nightmare of the grandest kind
I can withhold like it's going out of style
I have the bravest heart that you've ever seen
And you've never met anyone who's as positive as I am sometimes

You see everything, you see every part
You see all my light and you love my dark
You dig everything of which I'm ashamed
There's not anything to which you can't relate
And you're still here

I blame everyone else, not my own partaking
My passive-aggressiveness can be devastating
I'm the most gorgeous woman that you've ever known
And you've never met anyone who's as everything as I am sometimes

You see everything, you see every part
You see all my light and you love my dark
You dig everything of which I'm ashamed
There's not anything to which you can't relate
And you're still here

What I resist, persists, and speaks louder than I know
What I resist, you love, no matter how low or high I go

You see everything, you see every part
You see all my light and you love my dark
You dig everything of which I'm ashamed
There's not anything to which you can't relate
And you're still here

And you're still here
And you're still here...
