

# Alanis Morissette, It's A Bitch To Grow Up

It's been 10 years of investment  
It's been one foot in and one out  
It's been 4 days of watershed  
and I feel snuffed out

It's been 33 years of restraining  
Of trying to control this tumult  
How I did invest in such fantasy  
But my nervous system has worn out

I feel done, I feel raked over coals  
and all that remains is the case  
That it's a bitch to grow up

I've repeated this dance at nauseum  
There's still something to learn that I've not  
I'm told to see this as divine perfection  
But my bones don't feel this perfection

I feel done, I feel raked over coals  
and all that remains is the case  
That it's a bitch to grow up

I've spent life hovering above bottom  
Thinking I can't survive what's below  
But I've known through the kicking and screaming  
That there was no other direction to go

I feel done, I feel raked over coals  
and all that remains is the case  
That it's a bitch to grow up.
