

# Alanis Morissette, So Pure (Hybrid Remix)

You from New York, you are so relevant,  
You reduce me to, cosmic tears.  
Luminous more so than, most anyone.  
Unapologetically alive, knot in my stomach,  
And lump in my throat.

I love you when you dance when i freestyle in trance,  
So pure such an expression.

I love you when you dance when i freestyle in trance,  
So pure such an expression.

Supposed former infatuation junkie,  
I sink three pointers and you wax poetically.

I love you when you dance when i freestyle in trance,  
So pure such an expression.

I love you when you dance when i freestyle in trance,  
So pure such an expression.

I love you when you dance when i freestyle in trance,  
So pure such an expression.

I love you when you dance when i freestyle in trance,  
So pure such an expression.

Expression, expression, expression....

Expression, expression, expression....

Expression, expression, expression....

You from New York, you are so relevant,

Luminous more so than most anyone.  
Unapologetically alive, knot in my stomach,

Expression, expression, expression....

So pure, pure, pure.

So pure, pure, pure.

So pure, pure, pure.

So pure, pure, pure.

So pure, pure, pure.
